INTIMA HYPERPLASIA AND FOR IMPROVING VASCULAR ENDOTHELIUM
FUNCTION AFTER VASCULAR INJURY

OFFICIAL

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.97

Commissioner for Patents
Alexandria VA 22313-1450

Sir:

Submitted herewith on a PTO-1449 form is a listing of the documents known to applicant in order to comply with applicant's duty of disclosure pursuant to 37 C.F.R. § 1.56. Copies of the listed documents are also being submitted herewith to comply with the provisions of 37 C.F.R. § 1.98, with copies of English translations of non-English language references or of the pertinent portions thereof, if such translations are readily available. If applicable, English copies of foreign search reports citing at least some of the documents herein listed on PTO-1449 are also enclosed.

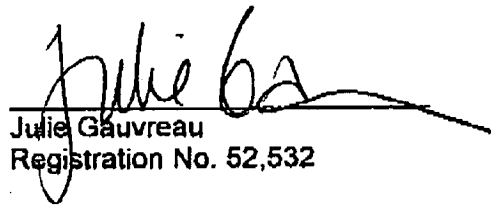

The submission of any document which is not a statutory bar is not intended as an admission that such document constitutes prior art against the claims of the present application. Applicant does not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a prima facie prior art reference against the claims of the present application.

Statement of Relevancy

The listed documents are being submitted in compliance with 37 C.F.R. §1.97(e)(1), i.e. within three (3) months from the date of an office action or of a search report issued in a foreign counterpart application citing each of the documents contained in the present statement. The undersigned Agent of Record hereby certifies that the enclosed references are hereby submitted within three months from the issuance of the office action or foreign search report.

Respectfully submitted,

Date May 18, 2004

Julie Gauvreau
